PRODUCT

SKIN RETARGETING

Generate additional turnover and visibility

Dynamic skin retargeting, an exclusive Nextperf innovation, allows you to advertise on the entire background of a page. This way you can display your special offers and the products seen by your users.

BRANDING

- 100% banner visibility
- Frequency capping is controlled
- Unique and exclusive network

PERFORMANCE

- Click-through rate 10 times higher than standard placements
- 11% additional revenue
